The Fighting Ranger

AN 18 EPISODE ADVENTURE PICTURE....FEATURING JACK DAUGHERTY

EPISODE 17....."Yaqui Gold"

The limp form of Ida Hubert is picked up from the wreck of her plane by O'Rourke and Mary. Believing that she is about to die, she confesses everything and asks to be forgiven for playing false friend to Mary and Bud, who drive her to the doctor while O'Rourke goes to the treasure cave, as directed by Ida, to have it out with Buck Rogers alone.

Taggart and his gang overcome the men of the Marshall ranch, taking horses and going in quest of O'Rourke.

O'Rourke pounces on Buck, disarms him, throws away his own gun and engages him in a fist fight. The scuffle all over the dark cave, throwing handfuls of gold nuggets and treasure filled Yaqui pottery, finally emerging into the open air at the mouth of the cave, where they are seen by one of Taggart's men who follows them in and fires at O'Rourke, who falls through a trap into a chamber below. Buck slips and falls after him.
